**Legacy Gifts**

We deeply appreciate the donors who have supported the Haskayne School of Business during their lifetimes and all those who have provided for the school in their estate plans.

Legacy gifts make a significant impact on the lives of future generations. They can help students meet their potential, enhance excellent research and further enable the school’s vision to be a leader in business education.

We are truly moved and thankful for the donors who have chosen to give a gift to the Haskayne School of Business as part of their legacy.

# Fueling transformational change

## *Energize: The Campaign for Eyes High*

Since launching our Eyes High strategic vision in 2011, our campus community has undertaken transformative changes to be among the nation's top-five research universities, grounded in innovative teaching and learning, and fully engaging our communities as we move forward. Leading universities require significant investment in people, infrastructure and programming and are typically built on centuries of support. In true Calgary fashion, we intend to fast-track this timeline.

*We aspire to be Canada's most entrepreneurial university in the country's most enterprising city.*

*Energize: The Campaign for Eyes High* is the University of Calgary's most ambitious fundraising campaign in its history. Funds raised through the campaign will support student experiences, research outcomes and community connections. Together we are fueling transformational change for the University of Calgary, our city and beyond — inspiring discovery, creativity and innovation for generations to come. Formally launched in April 2016, the campaign is more than 97 per cent of its overall goal of \$1.3 billion.

*Together, let's energize the next generation.*
