As a Haskayne School of Business Student:

- When faced with tough choices, I have a responsibility to ensure that alternatives are explored, their consequences understood, and priorities are set based on ethical values so that “win-win” solutions are possible.
- I am accountable for my actions and responsible for their consequences – both in the short and long term.
- I will be consistent in my actions, words, and intentions so they reflect commitment to my ethical and responsible core values.
- I can play a role in respectfully raising awareness among others and encouraging my peers and colleagues to find positive solutions to ethical challenges.
- I will develop and sustain lasting relationships through open and honest communication and demonstrating personal integrity.
- I have the responsibility to strive for a career and life that embody my passions and reflect my sound values while living to an ethical standard.
- It is my responsibility as a student to develop to my full potential and in turn make a positive contribution to the world around me. It is my social responsibility to help my fellow students, coworkers, and members of the community at large to fully realize their potential as well.
- I am responsible for shaping a positive world for future generations, including the management of my own ecological footprint and respect for the environment in my decisions and actions.
- I have a responsibility to embrace, encourage, and sincerely accept diversity. Diversity of opinion, background, and belief is a competitive advantage and helps build a positive future.

My ethics become “real” when I choose to live my life in a way that is true to my core values. It is my responsibility to live ethically – no one can do it for me.
