What do our alumni say about the program?

“ The RMI program provided a significant springboard into the industry. Combined with the rest of the business knowledge obtained through the Haskayne BComm program, the RMI program allowed me to rapidly advance my career and quickly move into a leadership role within the industry. ”
Kevin Lea, President, Fuse Insurance Ltd.

“ The program was a great stepping stone into the P&C Industry as it provided me with well rounded knowledge of the industry. ”
Allison Stade, Director, Distribution Enablement and Innovation - Alberta Market Team, Allstate Insurance
