STUDENT SUCCESS

The Haskayne School of Business offers academic advising that fosters a culture of success, enabling you to realize your full potential. Academic advising services fall into two categories: *Program Advising* and *Success and Well-Being Advising*.

PROGRAM ADVISING

Our **Haskayne Undergraduate Programs Office** is where you will find dedicated *Haskayne Program Specialists* who can guide you through the Bachelor of Commerce degree programs. Our experienced and dedicated specialists can answer questions about admission, program requirements, registration, graduation, and anything in between. If you have a question and you're not sure who to ask, here would be a great place to start. Our contact information is found at the top of these newsletters, and you can also make an appointment with one of our specialists through success.ualgary.ca. We look forward to meeting you!

SUCCESS AND WELL-BEING ADVISING

Everyone can aspire to be a better learner. Our *Haskayne Academic Development Specialist (ADS)* can help you to navigate university life, while developing the learning and self-management strategies crucial for having a successful and fulfilling post-secondary experience. Our ADS can help you:

- Analyze your academic tasks to determine the skills and resources required to complete them;
- Formulate strategies for completing academic tasks (such as time management, reading and note taking, exam preparation, study skills, etc.);
- Connect with support services and program on campus.

STUDENT SUCCESS CENTRE

Located in the Taylor Family Digital Library, the **Student Success Centre (SSC)** also provides services and programs to assist you in enhancing your skills and achieving your academic goals. The many services at the SSC fall into four unique categories: *Advising*, *Learning*, *Writing*, and *Math*. We want to highlight the **Writing Support Program**, which offers one-on-one appointments, drop-in and online consultations, various workshops, and other online resources. If you need help improving your writing, from brainstorming to revision, we recommend you connect with the SSC.
