¹ These subjects are only suggestions and this is not a comprehensive list of suitable options for the Bachelor of Commerce program. Once you have registered in your courses, you should refer to your Academic Requirement Report in my.ucalgary.ca to ensure that the courses you have selected will be used towards your program as you expect. You can also consult with the Haskayne Undergraduate Programs Office for additional guidance if necessary.

² Most subjects listed can be done as part of a minor with the Bachelor of Commerce program. Please consult with the Haskayne Undergraduate Programs Office to determine which minors will work with your program. We also recommend speaking with the department offering the minor you are interested in to confirm which courses are required to fulfill their minor program. Some courses may be restricted to students admitted to the minor program.

³ Enrolment in language courses may involve a formal placement process. All students seeking entry into language courses should first contact the specific language course advisor; a list of advisors can be found at llc.ucalgary.ca/contact.

⁴ The Bachelor of Commerce program can accommodate 12.0 units in junior (200-level) non-commerce courses. Please note that some 200-level courses may be restricted to first year students.

⁵ Students interested in the BComm Honours Program are recommended to take DATA 201 and UNIV 201 to fulfill two Junior Non-Commerce Options.

Additional Notes

- Students should consult the Haskayne Undergraduate Programs Office prior to registration in order to avoid taking courses that will not be applied for credit towards their degree.
- Most courses are 3.0 units, but not all courses. Please watch for courses that have 6.0 units, 1.5 units or 0.75 units.
- Course descriptions and prerequisite, corequisite, antirequisite information can be found at ucalgary.ca/pubs/calendar/current/course-main.html.
- Students must complete 18.0 units in junior (200-level) courses prior to registering in senior (300-level and above) courses. However, not all senior courses require specific prerequisites. For a listing of senior courses with few or no prerequisites, please visit arts.ucalgary.ca/noprerequisites.
- Students in approved Combined Degree Programs requiring Statistics-based courses should be cognizant of the exclusions listed here: ucalgary.ca/pubs/calendar/current/statistics.html.

For additional information, the Haskayne Undergraduate Programs Office offers advising by telephone, e-mail, or in person. To book an appointment, visit <http://success.ucalgary.ca>.
