

You and the Haskayne Founders' Circle are making an impact

How does the Haskayne School of Business fulfill its vision to be a place where big ideas come to life and bold leaders thrive? How do we deliver on our mission to create innovative research, unparalleled learning opportunities and meaningful community engagement? How can we reach our goal to be one of the top tier business schools in Canada? With your generous support.

Haskayne Founders' Circle members are the school's champions – fueling programs and initiatives that are making a mark on our community

In 2018-19, Haskayne Founders' Circle members gave generously to programs and initiatives that support our students, our researchers and our community. Here are just a few examples of how Haskayne Founders' Circle members, like you, have made an impact this year:

- Support for **student awards** has enabled students to succeed in their studies by removing financial barriers.
- Investment in our **Strategic Plan Fund** has given Haskayne faculty the opportunity to engage with some of the world's top researchers and has supported important student learning spaces such as the N. Murray Edwards Trading and Finance Lab.
- Gifts to the **Haskayne Capital Expansion Project** is allowing us to create inspiring new learning environments.
- Investment in the **Creative Destruction Lab - Rockies** is helping to launch innovative new companies and create new jobs in our community.
