

**Elevate business
education through a
state-of-the-art building.**

haskayne
School of Business

UNIVERSITY OF
CALGARY

Now officially open for business, Mathison Hall serves as an iconic campus landmark that is transforming the business education landscape in Canada.

By doubling Haskayne's footprint by 10,000 square metres, Mathison Hall has helped restore a home base for our growing student population that embodies learning, study, growth and collaboration.

Student-focused by design, the building reflects the complete student experience including:

12 new technology-enhanced classrooms

Student Services Centres

Dedicated areas for focused study and group work

Ample touchpoints for socialization and connection

"We were very excited to support the Haskayne School of Business in the creation of Mathison Hall as we have seen the school's positive impact over the past eight years training and educating future leaders. Our hope is that this unique space will provide more opportunities for students, faculty and business leaders to collaborate, engage in open dialogue and continue to challenge and learn from one other."

MAC AND SUSAN VAN WIELINGEN

Viewpoint Group, namesake of the Viewpoint Circle for Dialogue

Change starts here. Be a part of our story and leave a lasting legacy.

Mathison Hall sets the stage for what the future of higher education entails. When our students walk through our doors, they are not just looking for an education – they are looking for a community. By placing your name in our building, you become a part of our students' educational journey demonstrating your commitment to supporting their growth and in joining their trusted network.

Make your mark amongst the next generation of future leaders by establishing a strong brand story that highlights your investment in the community, attracting the best and brightest to join your organization or follow in your footsteps.

We need your support to close the remaining \$5 million gap to fund Mathison Hall. We are seeking individual and corporate supporters to elevate our students by providing them with a world-class building for one of the world's best cities.

Investment opportunities between \$100,000 and \$2 million are available and include prominent spaces designed to support the needs of our growing school. Generous support at this level is eligible for naming recognition.

AVAILABLE SPACES INCLUDE:

Collaboration Spaces

\$100,000–250,000

Syndicate rooms offer bright, inspiring spaces for students to participate in group work, presentation prep, mentorship and practice interviews or to study without distraction. Meeting rooms and student lounges facilitate connection and enhance productivity amongst student clubs, staff and faculty.

Leading-Edge Classrooms

\$500,000–750,000

Mathison Hall has 12 new technology-enhanced classrooms ranging in size from 40 to 80 seats. These classrooms, including a trading and finance lab, can be configured to promote innovative teaching and learning.

Convening Places

\$1–2 million

Encompassing of the complete student experience, Mathison Hall offers spaces for quiet focus, group work, socializing, eating, gathering and purposeful engagement with our community. Key spaces include:

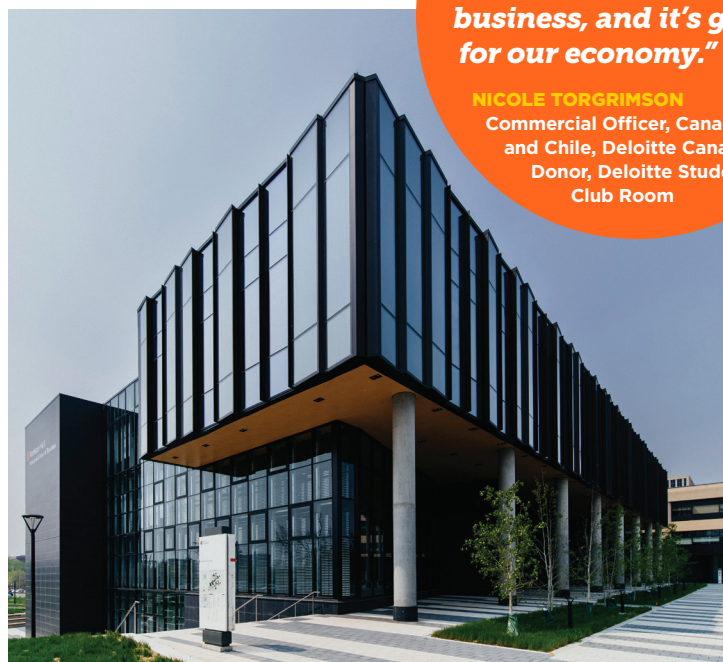

- > A 300-person event space
- > A social staircase
- > Graduate and undergraduate Student Services Centres

"We invest in education because we think it's central to our community and business, and it's good for our economy."

NICOLE TORGRIMSON

Commercial Officer, Canada and Chile, Deloitte Canada, Donor, Deloitte Student Club Room

Join us in developing a diverse, future-ready community of business leaders at the Haskayne School of Business. Together, we can meet future challenges with excellence by empowering and inspiring today's students.
