Inspiring Business Leader Award

The Inspiring Business Leader Award is the evolution from our previous Distinguished Business Leader Award. Influencing a new generation of leaders, students and the community, the Inspiring Business Leader Award continues to shine a spotlight on inspirational and ethical business leadership.

The Inspiring Business Leader award began its journey as the Distinguished Business Leader award in 1993 and has recognized 32 outstanding leaders in the Calgary community. Since 2008, proceeds from ticket sales and sponsorships from the event have been directed towards the endowment of a scholarship, awarded annually to a Haskayne student. Proceeds also support the Jim Dewald Emerging Leaders scholarship offered through the Calgary Chamber of Commerce.

We believe that celebrating these exceptional leaders is essential to ensuring the development and growth of Calgary and the surrounding areas into the mid-21st century. Join us in recognizing inspirational leadership through sponsorship of the Inspiring Business Leader Award. Ask us about the benefits and levels of sponsorship.

We look forward to working with you to inspire the best possible leadership in our city.

Best regards,

Dr. Gina Grandy
Dean, Haskayne School of Business

Deborah Yedlin
President and CEO, Calgary Chamber of Commerce
