Master of Management

UNIVERSITY OF CALGARY
HASKAYNE SCHOOL OF BUSINESS

About the Master of Management

Designed for recent graduates of non-business fields, the Haskayne Master of Management program provides students with the opportunity to supplement their undergraduate field of interest with business skills and knowledge. Upon graduation, students will possess an interdisciplinary skillset that will provide the competitive edge needed to launch their career.

Throughout 10 months of intensive full-time study, students will develop a comprehensive knowledge of business essentials from accounting and marketing to logistics and entrepreneurial thinking. Upon graduation, students will be prepared to begin their careers in positions requiring interdisciplinary approaches to problem solving and a curiosity for exploring alternatives to standardized approaches.

Beyond the classroom, students will have exciting opportunities to make connections with the Calgary business community and grow their skills through networking events, live case studies, mentorship, career development opportunities and more.

Program Information

	MASTER OF MANAGEMENT
OBJECTIVE	To provide a broad spectrum of business knowledge and competencies to students with little to no work experience.
CANDIDATE PROFILE	Recent graduates who want to obtain a solid understanding of business principles and management competencies.
PREVIOUS EDUCATION	Undergraduate degree from a non-business academic background.
PREVIOUS WORK EXPERIENCE	No more than two years' professional work experience post-graduation.
PROGRAM LENGTH AND STRUCTURE	Intensive 10-month full-time program.
POST-GRADUATION PATH	Graduates are able to jumpstart their careers by leveraging both their business skills and disciplinary background.

Benefits

Taught by award-winning faculty, the Master of Management allows students to:

- Combine a disciplinary background with business knowledge to positively impact immediate and longer-term job opportunities.
- Explore a variety of career options and potential pathways.
- Actively develop a professional network across a variety of industries.
- Hone interpersonal and leadership skills.

Program duration: 10-months

Delivery format: This is an intensive program that consists of both block-week and six-week courses along with tutorials and career-oriented activities in the afternoons and on Fridays.

Admission Requirements

- Completion of a four-year non-business bachelor's degree from a recognized/accredited post-secondary institution.
- A minimum GPA of 3.3/4.0 in the last 20 university level courses at the time of application.*
- No more than two years' professional work experience since completion of degree.

** If the minimum GPA requirement is not met, an acceptable score on the GMAT exam is required. Please contact the Haskayne Graduate Admissions team for more information.*
