Canadian Business School Rankings - Financial Times 50 Journal List

Each year, the Financial Times publishes rankings of business schools that offer MBA, EMBA and Online MBA programs. These rankings include a research score, which is based on the number of faculty publications published in 50 academic and practitioner journals – known as the **FT50 journal list**.

To measure progress towards the Haskayne School of Business' priority to increase its contribution to the global academic discourse, the school analyzed Scopus data for the past five years for 21 Canadian business schools to see how we, and others across the country, have measured using the FT50 list of research journals as a basis.
