Canadian Business School Rankings - Eyes High Journal List

In consultation with its academic areas, the Haskayne School of Business developed its [Eyes High journal list](#), which encompasses 63 high-impact journals across business and management studies. This list provides guidance to Haskayne faculty regarding journals that we strive to publish in to move forward Haskayne's research priorities. Research awards are evaluated based on publication in these journals.

To further measure progress towards the Haskayne School of Business' priority to increase its contribution to the global academic discourse, the school analyzed Scopus data for the past five years for 21 Canadian business schools to see how we, and others across the country, have measured using the [Eyes High Journal List](#) as a basis.
