## Faculty News

### New Faculty

**Dr. Angela Duta** is joining Haskayne as an instructor in Business Technology Management. She holds a PhD in Computer Science from the University of Calgary in the area of database privacy, a Certificate in Project Management and a Natural Nutrition Consultant diploma. She has also studied accounting and corporate taxation. She has taught multiple computer science courses at the University of Calgary, Mount Royal University and SAIT. Her research interests lie at the intersection of databases and natural approaches for health.

**Dr. Jingjing Wang** is joining Haskayne as an assistant professor in Accounting. She holds a PhD from Rotman School of Management, University of Toronto. Her research interests include financial accounting, regulations and standards, information disclosure, auditing, textual analysis, and machine learning. She is passionate about research that has implications for accounting practice and the use of machine learning and textual analysis techniques to identify linguistic signs that could inform investors.

**Dr. Megan Bailey** has been recruited as assistant professor, Finance. Megan comes to Haskayne with a PhD in Public Policy from Harvard University, and she will be seconded 75% to the School of Public Policy. She is an economist with research interests in innovation and technological change, climate change policy, and the energy sector. Her graduate research was funded by the U.S. National Science Foundation.
