Important Notes

- The BComm degree program can accommodate a maximum of 12 units in junior level (200-level) non-commerce courses.
- DATA 201 and UNIV 201 are junior non-commerce options recommended for BComm students interested in pursuing the BComm Honours degree program.
- Many non-commerce course topics can be completed as part of a minor program. Please consult with a program specialist in Haskayne Undergraduate Student Services if you would like to discuss completing a minor to your BComm degree program.
- Course descriptions and prerequisite information for all undergraduate courses offered by UofC can be found here: <https://calendar.ucalgary.ca/courses>.
- The BComm program is comprised of a certain number of non-commerce options to fill breadth requirements, and these cannot be substituted with additional commerce courses.
