Meet Tania!

This week we get to meet Tania Jamault, a Career Development Specialist with the Haskayne Career Development Centre.

CAN YOU TELL US A BIT ABOUT WHAT YOU DO?

My primary focus is on student success! My team and I meet with undergraduate students from the Haskayne School of Business for one-one-one appointments to discuss everything career related. Questions range from résumé concerns,

interview preparation and my personal favourite, LinkedIn! My role also includes developing employer relationships in Calgary, researching up-to-date career trends, and supporting the business Co-operative Education Program.

WHO IS PART OF YOUR TEAM?

While my team covers both the graduate and undergraduate student populations, my direct team includes three other Career Development Specialists specifically dedicated to undergraduate students. We have over 30 years of combined experience working with candidates within the recruitment space and can offer a wealth of support, guidance, and advice for all business students.

WHAT INTERESTED YOU IN WORKING AS A CAREER DEVELOPMENT SPECIALIST?

Prior to this role, I worked as a recruiter for a large recruitment firm. I learned a lot but I wanted more rewarding work! I found that candidates (and students) were lacking key knowledge about careers, job searching, and networking. Being a Career Development Specialist is the perfect opportunity to share my knowledge and support student success in the process. I love my job!

WHAT SHOULD NEW STUDENTS KNOW ABOUT STARTING AT HASKAYNE?

The best thing to know at this stage is that you have a TEAM of professionals to support you right from day one and all the way past graduation. The best thing you can do today is get familiar with our services and reach out early! We recommend to book your first **one-on-one appointment** within your first semester on campus.

WHERE SHOULD STUDENTS GO IF THEY HAVE QUESTIONS ABOUT THEIR CAREER DEVELOPMENT?

The best place to find more information is on **CareerLink**! We have a great job board, career resources including resume samples, and our appointment module to schedule your one-on-one with a Career Development Specialist.

CAN YOU TELL US SOMETHING ABOUT YOURSELF?

I am currently a student too! I balance my studies outside of my full-time role here at Haskayne, so I can relate to the pressures and stressors of being in school. Reach out and advocate for what you need – trust me, it's how you will come out the other end better equipped for the real-world.
