

FALL 2020 AND WINTER 2021

COURSE REGISTRATION RUNS MARCH 23 TO 27

BEFORE REGISTRATION...

- **Enrollment Appointment:**
 - Each student receives an **enrolment appointment date and time**.
 - Your enrolment appointment date is posted **on your Student Centre under 'Appointments'**.
 - **How is your enrollment appointment determined?** More information can be found [here](#).
- **Shopping Cart:**
 - You can pre-load your shopping cart **on March 2**.
 - Adding a course to your shopping cart **does not save a seat** in the course.
 - A course in your shopping cart is bookmarked, so you don't have to search for it again and **can streamline course registration later**.
 - Make sure you **register for both Fall and Winter** on your enrolment appointment date and time. Register for Fall classes first, and then for Winter classes.
- **Course Requisites:**
 - **It is your responsibility** to be aware of all course pre-requisites, co-requisites and anti-requisites.
 - **Winter and Spring/Summer pre-requisites** for Fall and Winter courses **must be successfully completed** to remain enrolled.
- **Holds/Blocks:**
 - **Check for holds or blocks on your account**, and deal with these before registration opens.
 - It can take **several business days** for a hold to be removed - **deal with holds early!**

○ **Purple Star**  :

- **Look for the purple star**  when searching for courses.
- A purple star  means there are **course restrictions** in place.
- Click the 'Section' link for the lecture, tutorial, or lab to see the class details page. If these restrictions are **temporary** they will end automatically at 12:01am when the date changes.

DURING & AFTER REGISTRATION...

○ Waitlists:

- If a course is full, **check if there is a waitlist available.**
- Any spots that open in the course **are held automatically** for the students on the waitlist first.
- If the waitlist is full or if there isn't a waitlist, **attempt to register anyway**, and keep checking for a spot to open. Courses tend to open up closer to the start of the term. **We track the number of attempts** to register in a course, and strive to open more lectures if possible.
- If you waitlist for a course, and continue to change your schedule, make sure there won't be a **time conflict** with another course you'd registered for. If there is, **the waitlist will not be able to enroll you into the course if a seat opens up.**
- You can review your schedule on your Student Centre. Time conflicts in your weekly schedule will show up in a **different color.**

○ Check Academic Requirements:

- Checking your Academic Requirements report on your Student Centre during and after registration ensures that the courses you register in are appropriate for your program.

The screenshot displays a student dashboard with a sidebar on the left containing navigation icons for Home, My Application, Personal Info, Exams and Grades, Program and Advising Info, and a dollar sign icon. The main content area features a 'Welcome to your Student Centre' banner with a 'Read More' button. Below the banner are three task cards: 'To Do (0)', 'Holds (0)', and 'Appointments'. The 'Appointments' card is highlighted with a green arrow and contains an 'Enrolment Appointment' entry: 'You may begin enrolling for the Fall 2020/Winter 2021 Regular Academic session on 2020 March 23 3:00PM.' with a 'Details' link.
