Academic Information

Students must provide a list of 6 to 8 courses on their application; current timetable is online here: csprd.my.ucalgary.ca/psp/csprd/?cmd=login&public=class-search&. Once the application has been processed, students will be emailed with a list of approved/denied courses, and instructions for completing registration. If students want to register in courses not included on their original application, they must email undergrad.exchange@haskayne.ucalgary.ca to obtain permission to register first.

Most undergraduate courses offered by the Haskayne School of Business are permitted for incoming exchange students to register in, provided the students have the course prerequisites. **The following courses are not permitted for incoming exchange students to take:**

- **MGST 217**
- **SGMA 217**
- **ENTI 317**
- **MGST 301**
- **MGST 501**
- **MGST 503**
- **SGMA 303**

Note there are on occasion other courses offered that are not open to incoming exchange students, typically special topic courses. Students may be allowed to take courses from other faculties on campus, depending on prerequisites and space availability. Please note that Economics is **not** part of the business faculty here. Permission to take non-business courses must be sought from the department offering the course.

Course levels:

- 200-level: junior level, intended for students in 1st and/or 2nd year
- 300-level: senior level, intended for students in 2nd and/or 3rd year
- 400-level: senior level, intended for students in 3rd and/or 4th year
- 500-level: senior level, intended for students in 4th and/or 5th year
- *600-level & 700-level: graduate level courses, not open to incoming undergraduate exchange students*

Incoming exchange students must take a minimum of 2 business courses (6 units) and a minimum of 3 courses (9 units) total per semester. The maximum course load is 5 courses (15 units) per semester. Each course is worth 3 units, equal to 3 class hours per week per course, for 13 weeks total. Labs and tutorials are extra.

Time conflicts or overlaps are not permitted for any student at the University of Calgary; please ensure the classes you select do not have any time conflicts between any of the lectures, labs, tutorials, and/or seminars.

Many courses have a registrar-scheduled final examination, held during the exam period (see Important Dates above). If students register in classes with registrar-scheduled final examinations, they are required to be available for the entire exam period. The exam schedule is typically released one month after classes have started, and exams can be scheduled until 10:00pm on the last day of the exam period. **Incoming exchange students should not plan any travel until after the last possible day for final exams.**

At the end of the exchange term, incoming exchange students are responsible for ordering official transcripts to be sent to their home institution. Instructions for ordering transcripts are online here: ucalgary.ca/registrar/student-centre/transcripts.

Student Services & Housing

On-Campus housing is organized through Residence Services: ucalgary.ca/residence/.

All incoming exchange students are required to obtain a UPASS upon arrival for each exchange semester, as well as pay the Campus Recreation fee. This allows students unlimited access to public transportation (busses and c-trains) for the duration of their exchange term. Transcripts will not be released to students with outstanding fees. Current fees are listed here: calendar.ucalgary.ca/pages/d80b6ce5a431469ba19a6ef032fd1672.

The International Business Students' Association (IBSA) runs a Buddy Program for incoming exchange students and organizes group events: ibsahaskayne.ca/.
