Faculty News

New Faculty

**Dr. Angela Dut**a is joining Haskayne as an instructor in Business Technology Management. She holds a PhD in Computer Science from the University of Calgary in the area of database privacy, a Certificate in Project Management and a Natural Nutrition Consultant diploma. She has also studied accounting and corporate taxation. She has taught multiple computer science courses at the University of Calgary, Mount Royal University and SAIT. Her research interests lie at the intersection of databases and natural approaches for health.

**Dr. Jingjing Wang** is joining Haskayne as an assistant professor in Accounting. She holds a PhD from Rotman School of Management, University of Toronto. Her research interests include financial accounting, regulations and standards, information disclosure, auditing, textual analysis, and machine learning. She is passionate about research that has implications for accounting practice and the use of machine learning and textual analysis techniques to identify linguistic signs that could inform investors.

**Dr. Megan Bailey** has been recruited as assistant professor, Finance. Megan comes to Haskayne with a PhD in Public Policy from Harvard University, and she will be seconded 75% to the School of Public Policy. She is an economist with research interests in innovation and technological change, climate change policy, and the energy sector. Her graduate research was funded by the U.S. National Science Foundation.
Honours and Awards

**Alain Verbeke** was appointed as a fellow of the European International Business Academy (EIBA) in 2019. He is one of the only 30 current fellows internationally.

Alain was reappointed to editorial board of *Academy of Management Review*, 2020–2023.

The *Journal of International Business Studies* (JIBS), led by **Alain Verbeke**, Editor-in-Chief, has earned the status of “top rated” Springer Nature journal for editorial excellence, based on author satisfaction surveys. More than 94% of authors agreed strongly that “the editors managed the peer review process well” and that “the editorial advice and comments throughout the process helped to improve the paper.”

JIBS, an Eyes High Star journal, is now the third-ranked journal in both the business and management categories of the Social Science Citation Index (SSCI), with an impact factor of 9.15.

**Alex David** was appointed guest editor of a special volume on “Global Markets and Energy Future” for an interdisciplinary journal, *Energies*.

**Candace Moody** was awarded CPA Education Foundation Teaching Prize.
Luminita Enache received an Outstanding Discussant Award from the American Accounting Association (AAA) Financial Accounting and Reporting Section (FARS), to be presented at the 2021 FARS Midyear Meeting in Denver, CO.

Phil Davidson won a Students’ Union Teaching Excellence Award.

Syed Jafri won a Students’ Union Teaching Excellence Award.

Houston Peschl received a University of Calgary Teaching Award (award for full-time academic staff – instructor).
