

## How to know if your classroom has all the equipment you need

The following describes the audio-visual equipment that is installed in the Centrally Scheduled classrooms. If your class is scheduled in one of these rooms, the installed equipment will be open for all classes from 9am-5pm on weekdays during the fall and winter semesters only (no booking is required). Any classes that run prior to 9am or after 5pm, during fall and winter terms, after the last day of classes in fall and winter, or during spring and summer semesters will require a booking for any equipment. If you require any equipment that is not installed in the room, or if you have any special set-up requirements, please book online at <https://www.ucalgary.ca/it/services/classroom-av-equipment-booking/classroom-av-equipmentbooking-form> or by phone at **220-3711**.

### New style podiums (installed 2012 – present):
